New York City, June 26, 1893.

Honorable Treasurer of the United States,

Washington, D.C.

Sir:-

The First National Bank of Central City, Colo., under date of June 22nd sends its draft for $1,000 for which it desires returns in new silver dollars, coinage of 1893, to be awarded as prizes at a Firemens tournament, designed to be held on the 4th of July next in that city. They endeavored to obtain these coins from Philadelphia but were unable to do so and desire now that they may be forwarded to them from the Mint where they are at hand, believed to be Carson City. The bank offers to pay the express charges on the coin. I saw no other way to accommodate them, excepting the issue of a certificate here and forward the same to you, when it might possibly be done by telegraphic order to that Mint. I, therefore, enclose original certificate No. 1389 herewith and have advised the bank accordingly without promising that the money will be sent.

Very respectfully,

M. F. Muhleman
